Charles v. Potter, et al. 07 Civ. 10572 (SHS) (FM)

Dear Judge Stein:

I am the Special Assistant United States Attorney with principal responsibility for defending the U.S. Government in the above-referenced employment discrimination action. I write to the Court to respectfully request a 60-day extension of the Government's time to answer or otherwise respond to the complaint. This is the Government's first request for an extension.

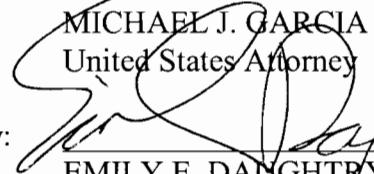

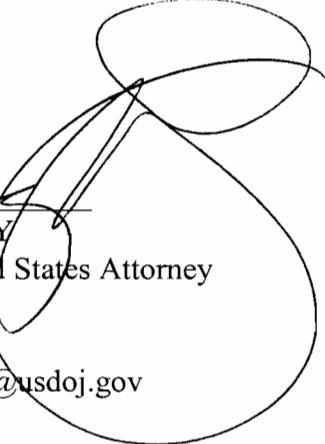

This Office did not receive a copy of the complaint until on or about April 3, 2008. Accordingly, the Government's deadline to respond to the complaint is June 3, 2008. *See Fed. R. Civ. P. 12(a)(3)(A)* (providing that the United States has sixty days to respond to a complaint from the date that the U.S. Attorney's Office is served). The Government respectfully requests an extension until August 1, 2008, to answer or otherwise respond to the complaint. The reason for this request is two-fold: (1) the Government has been informed by its client, the United States Postal Service ("USPS"), that agency counsel at the USPS will be unable to complete its review of the case file until early July due to the press of business, and (2) I will be out of the office in the first half of July, and will need the second half of July to confer with agency counsel and determine whether the Government has a dispositive motion.

I have attempted to contact plaintiff, who is proceeding *pro se*, to obtain his consent to this extension, but thus far have been unable to reach him.
